

OLD BOYS' CLUB SURVEY

Nailsworth Youth and Community Enterprise (NYCE) are asking for your help to assist them in developing the Nailsworth Subscription Rooms in Bath Road which you may well know as the old Boys' Club. The building has a large hall, which is currently used for badminton, table tennis, meetings, parties etc. There is a coffee bar with small kitchen upstairs and on the lower ground floor a meeting room and craft workshop run by Practical Intelligence. NYCE has received money from the Arkell bequest to provide curtains and new toilet and kitchen facilities. Work on the toilets and kitchen will start soon. For more details visit our website www.nailsworthsubrooms.org.uk

To help us to continue to provide appropriate activities for young people (in particular the 15-25 age group) and also facilities available for the whole community, we need your help in answering the questions below. Your replies will also help us to make a case for grant funding for improvements to the building, for example to the heating system.
